

Art in Motion Summer Classes, 2012 **with Elizabeth Craig** www.artinmotionstudio.net

Collage and Hand-Embellished Papers (Ages 6 and up) June 18th - 22nd, 10 am - 12:00 noon

Using the process of layering materials, students will explore a variety of painting techniques and surface design to create beautifully hand colored and collaged papers. These papers can be used to create weavings, personal journals, self-portraits, adorned treasure or keepsake boxes, and much more. Students will decide how they will transform their papers to create one or two finished pieces. Cost \$150

Sculpting from the Heart and Soul (For girls 11 and up) **July 9th - 13th, 10 - 12:30 pm**

You're invited to come experience a special personal journey . Participants will create a symbolic representation in the form of a figure /doll, that focuses on who or what inspires them. We will use wire, fiber, fabric, clay and other embellishments to create two unique characters. Cost \$155

Sculpting Figures with Wire and Mixed Media (Ages 7 & Up) July 16th - 20th, 10 am - 12 pm

Children's artistic imagination goes 3-D. Using wire, clay, fabric and fibers; animals, action figures, dolls and imaginary characters come to life. Children will complete one or two sculptures adding details daily. (6 year olds a possibility with adult support) Cost: \$150

Folk Art Masks (Ages 7 and Up) July 30th - August 3rd, 10 am - 12 pm

Using a combination of clay, paper mache, canvas and paint, children will create small masks of an animal or character of their choosing. The masks will be combined with a 2-dimensional canvas body that will be painted and embellished for a finished wall hanging. These masks and canvas bodies are inspired by folk art from Mexico. Cost: \$150

Miniature Tree Dwelling Constructions (Ages 4 & up) **August 13th - 17th, 10am - 12 pm**

Using sturdy branches as an armature, along with a variety of natural and fabricated materials children will construct their own dwelling within the branches of their tree. They will spend time designing the components of their dwelling before beginning the constructions. Sculpey clay and wire will be used to create animals, fairies, people or whatever critters they might imagine inhabiting their dwelling. Cost: \$150
